

HAND DELIVERED TO TOWN OF WESTLAKE
AUGUST 29, 2013

RECEIVED BY: K Edwards

Mayor Laura Wheat
Town of Westlake
3 Village Circle, Suite 202
Westlake, Texas 76262

August 29, 2013

Dear Mayor Wheat,

Thank you for your correspondence dated August 19, 2013. The Trophy Club Municipal Utility District No. 1 (MUD) was very pleased to receive your bona fide offer.

As you know, recently there has been much discussion regarding water and wastewater services in the region. The Town of Trophy Club told the MUD that it was working with Westlake in these discussions. Most of what has been said and presented by the Town of Trophy Club has been vague, misleading and inflammatory—not to mention in the spirit of what appears to be a power grab. The letter you have provided is very different than that, and it contains data and numbers that we can begin to discuss. We appreciate the spirit and tone of your letter.

It is the goal of the MUD to provide clean, safe water to our customers at reasonable rates. We have always said that if excellent service can be maintained and if it makes financial sense, the MUD would be willing to dissolve. Until such time as we are assured that our customers will receive the same great services at the same great prices without our entity in existence, we will not be amenable to dissolution. However, if it can be shown that it is in the financial best interest of our customers and their level of service will not be compromised, we would be quite interested in talking about dissolution. In that regard, we want to proceed carefully and intentionally, and we have provided your letter to our financial advisors to provide insight as to the financial implications of your offer. Once we hear back from our financial advisors, we will be back in touch with you in response to your letter.

Until that time, please be assured that your offer was well received. We will be back in touch with you at our earliest possible opportunity.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jim Moss".

Jim Moss
President, Board of Directors
