

Water Fest 2017 "Every Drop Counts" Student Writing Contest

For Trophy Club Middle School and High School Students

Write an original story:

Imagine you are a scientist. The world is quickly running out of water and you have been asked to help save the planet.

In 500-1000 words write a story that explains the world's water supply problem and describes how humans and animals will be affected by the water shortage. What methods would you implement to solve the issue and save the planet?

Story must be typed and double-spaced. Be as creative as you like while focusing on solutions that support the message that **"Every Drop Counts."**

Turn in completed stories at the front desk of the Svore Municipal Building, located at 100 Municipal Drive, no later than 5:00 p.m. Wednesday, March 8, 2017.

Write your full name, grade, and phone number on the back of the story and complete the contest entry form.

**1st, 2nd and 3rd place winners
will be selected from all contest entries.
Prizes will be presented at Water Fest 2017
Saturday, March 25, 2017**
