## Noncompliance Summary

Description and Cause of Noncompliance (include location, discharge route, and estimated volume of unauthorized discharge):

At 9:40am on Dec. 11th, 2018, we received a call from the HG Sply restaurant site which is on the northwest corner of Trophy Wood Dr. and the HWY 114 service road. We had stopped the SSO at 10:24am which at that time we were sucking up the discharge with our Vac truck. We estimate 5,000 gallons spilled at the site and ran into storm drain on the site. We called a contractor to come and make the required repairs which were completed around 4:30pm.
